# made to measure pleated blinds are an easy and efficient way of controlling lighting levels in your home

Our stylish range of Pleated blinds create a whole new look for your home and will provide shade and security incredibly effectively.

## enhanced efficiency total protection

SPC® (Solar Protective Coating) treated fabrics have advanced solar and optical properties that will filter light, reduce glare and help lower heat build up in your room. ESP® (Energy and Solar Protection) are a blackout fabric that offer total protection against excessive sunlight.

choose  
pleated  
perfect fit<sup>®</sup>  
for quality & style

Award winning stylish Perfect Fit<sup>®</sup> blinds are a fantastic choice for UPVC windows and doors, and they're so easy to fit with no holes drilled into your window frames - ideal for conservatories.

- No gaps at the side of the blinds for enhanced privacy and improved insulation.
- Totally child safe because there are no loose cords.
- Perfect Fit<sup>®</sup> blinds sit within the UPVC frame, so windows and doors can be opened and closed freely and your window sills remain clear.
- A range of frame colour finishes to match your windows and doors

All our pleated fabrics can be made into Perfect Fit<sup>®</sup> blinds.
