

Facette® & Twist® Shades

Distinctive style with privacy and light control

Designed by Luxaflex®. Inspired by you.

Facette® Shades

Soft, stylish fabrics with unique light control

The unique and patented design features two fabric layers woven into one to create a beautiful soft fabric look for windows. Facette® Shades work like a roller blind to let you quickly and easily raise or lower the shade in both the fully open or closed position. You can enjoy your view, effortlessly adjust the light or simply get the extra privacy you want at any time.

“I love the way I can easily adjust the light and get more privacy when I need it”

Design and Fabrics

Perfect for any window style

The new Luxaflex® Facette® Shades collection is designed to work perfectly with the proportions of your windows - from ultra slim vanes for an elegant look to large vanes that are a truly stylish solution. The Facette® Shades feature stunning fabrics in beautiful colours and soft textures for a style that is completely your own.

Child Safety

At Luxaflex® we consider child safety a top priority. Making products safer for homes with infants and young children is an integral part of our design philosophy. From cordless alternatives to fully motorised systems, Luxaflex® offers many innovative lifting systems designed with safety, comfort and beauty in mind.

Twist[®] Shades

Distinctive style with privacy and light control

An amazingly stylish and simple way to control light and privacy at any time of the day or night. Luxaflex[®] Twist[®] Shades let you effortlessly slide two stylish fabrics past each other in an open, half open or completely closed position to create the perfect look for your window, your mood and your home.

"The beautiful fabrics helped me create just the right light and mood for my home"
