

Luxaflex® Wood Venetian Blinds

Nature's warmth and beauty in your home

With its natural beauty, wood has long been an inspiration and delight. Its calming and reassuringly solid presence provides a welcome contrast to the hustle and bustle of modern daily life.

The distinctive signature of a wood blind is more than a design element; it is a statement by its owner inspired by the simplicity and elegance of natural wood.

Luxaflex® offers you a beautiful and varied choice of woods and finishes. Each wood is highly individual, authentic and unique with distinctive grains and burls. Between them the collection caters for every taste, preference, room and budget.

"Naturally elegant and environmentally sustainable, Wood Blinds are a bold, beautiful style statement."

Silver Gilt 50mm - FSC® certified

FSC® Certified Blinds

All of our wood blinds carry the FSC® logo, and are independently certified to assure consumers that the wood comes from forests that are managed in such a way as to meet the social, economic and ecological needs of present and future generations.

Be inspired by our luxurious high gloss finishes, the timelessness of oak and the lustre of cherry wood.

Complement your room with a delicate painted finish or enhance your window with a bold, vibrant colour from our Piano range.

Colonial wood, our largest slat at 68mm, gives the impression of sophisticated shutters in classic hues of white and cream.

Reflect your style and add some shimmer with Silver Gilt from our Designer woods range.

Alternatively, you may choose to consider Faux wood which is ideal for bathrooms and kitchens or Bamboo for an on trend window design.

Luxaflex® Wood Venetian blinds are available in 35mm, 50mm, 64mm and 68mm depending on the range you choose from.

Personalise your wood venetian blinds with one of our coloured fabric tapes to introduce a softer element. Be creative with perfect colour-coordination. We are able to colour match to the most popular paint colour references.

Duck White - FSC® certified
